Q: What were the strengths of this course and/or this instructor?

- 1 good
- 2 I enjoyed how the lab section was structured and they felt like an extension of the lectures in the sense that they allowed for students to gain a deeper understanding of the material through a guided coding session. I truly enjoyed attending these sessions, and I appreciated that the labs were a chance to get more practice without the pressure of them being graded at a rigorous standard.

Q: What could the instructor do to make this course better?

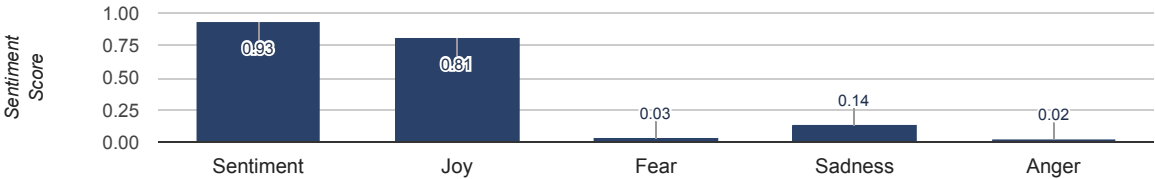

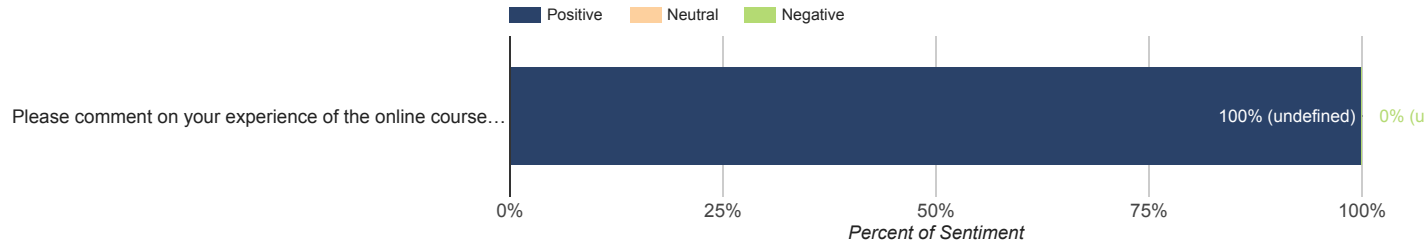

- 1 nothing
- 2 I think the lab sessions were great!

Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.

- 1 good
- 2 Professor Bonaci did a great job facilitating lab sessions and utilized the time to reiterate or cover material from the lecture. She does a great job of anticipating which topics need more explanation or were confusing to us during the lecture, and always makes sure that we are understanding the concepts before moving on.
