Instructor Related Questions: Tehmina Amjad (39 comments)

Q: What were the strengths of this course and/or this instructor?

- 1 Dr. Amjam really values students thoughts.
- 2 willing to help and caring
good exercises to help students understand topics better
- 3 detail
- 4 Providing students with clear resources, accepting and taking feedback given from students to help make the course better.
- 5 Well-explained on course material.
- 6 Intellectually stimulating
- 7 rich in content, patient, detailed
- 8 nice
- 9 The professor is very diligent and responsible.
- 10 The pace of the class is very good, ensuring that everyone can understand.
- 11 we did a lot of practice during class
- 12 Concepts were very clearly explained, and the course was structured well, enabling me to more easily learn a difficult subject matter (discrete structures math).
- 13 Structor is very kind and friendly to answer our questions
- 14 None.
- 15 patience
- 16 She provide clear notes and slides
- 17 The instructor is nice, friendly and fair.

Q: What could the instructor do to make this course better?

- 1 less focus on online videos
Piazza could help students ask questions
online office hours
- 2 more fun
- 3 If possible, having a study guide for students to be more prepared for the next exam.

More descriptions for the problem sets for the acceptable answers.
- 4 Make the lectures shorter
- 5 Speak more clearly, arrange more interaction in class, do more group work, and make the assignments shorter(for sometimes it might take a lot of time to complete them).
- 6 make the course more challenge
- 7 Incorporating more real-life examples when explaining maybe.
- 8 I hope there can be more example problems.
- 9 Maybe cut the class into two parts in different day
- 10 include implementation of the knowlegee
- 11 She can't explain the questions very clearly, and sometimes the answer is wrong.
- 12 Sometimes, there are concepts hard to understand. However, as there was no reaction from the class, she would continue the courses. Maybe she can explain a little bit more for some concepts if hard to understand.
- 13 Students should be encouraged to answer more challenging questions in class, rather than the simplest calculation questions or simple pattern-finding questions.

Q: Please expand on the instructor's strengths and/or areas for improvement in facilitatng inclusive learning.

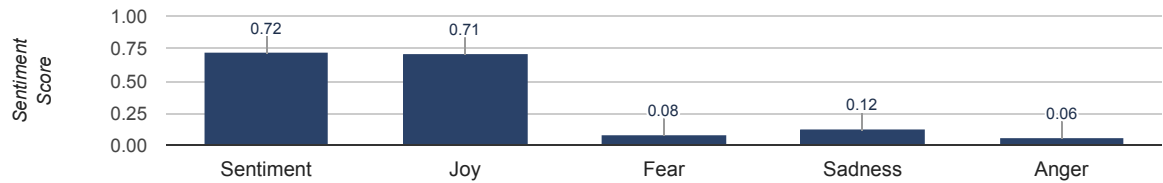

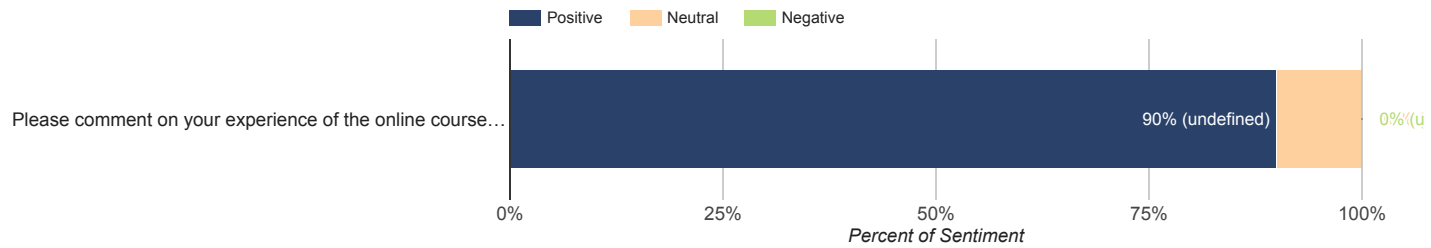

- 1 Checking in with students individually can help get a better understanding of how they are feeling about the course
- 2 NA
- 3 emphasis on the hard point
- 4 Actively tries to keep students engaged and participating in the lectures, positive attitude, and willingness to help.
- 5 passion

Q: Please expand on the instructor’s strengths and/or areas for improvement in facilitatting inclusive learning.

- 6 responsible, diligent, punctual
- 7 The professor is really nice and friendly. But it will be great if she can find a way to make the students more active or engage in the class discussions.
- 8 good
- 9 I hope there can be more discussion on class.

- 2 Had the great experience about the online course environment. ★★★★★
- 3 The course is very intuitive and easy to follow along the class ★★★★★
- 4 The class is in-person, however, all course materials are organized and lecture slides are uploaded prior to class. ★★★★★
- 5 I like this class ★★★★★
- 6 good ★★★★★
- 7 The module online explain things very clearly. ★★★★★
- 8 I hope the lecturer in the video's hand writing could be more clear. ★★★★★
- 9 It is quite effective, it will be more if recordings of class can be uploaded. ★★★★★
- 10 The online course is explained in detail, which can help me prepare well. ★★★★★

Student Self-Assessment of their Effort to Achieve Course Outcomes (13 comments)

Q: What I could have done to make this course better for myself.

- 1 Provide more practice questions for the exams.
- 2 Pay more attention in class
- 3 I want to have the answers for the homework available to review after it had been graded.
- 4 Study the previous assignments more than outside study guide materials for the first exam
- 5 Watch all the Canvas videos
- 6 should do more exercises and review more frequently
- 7 so far so good
- 8 Devote more time.
- 9 I am also taking an algorithm course on Coursera, which complements this class.
- 10 Professor is very kind and helpful
- 11 Make full use of the resource in the canvas about this course.

Q: What I could have done to make this course better for myself.

12 Better to have some related knowledge

13 practice more
