### Instructor Related Questions: Ali Sharifian Attar (18 comments)

#### Q: What were the strengths of this course and/or this instructor?

- 1 The lessons always prepared us well for the homework and assessments, unlike other classes.
- 2 Flex time to answer students' questions online
- 3 nicely organized
- 4 Nothing good
- 5 The instructor in on time in handing out lecture materials and homework. Grading is done on time.
- 6 homework was clearly explained

#### Q: What could the instructor do to make this course better?

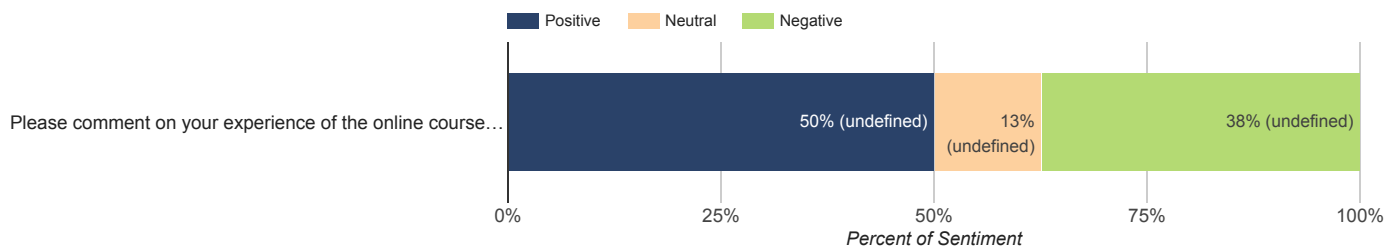

- 1 Have 1 or 2 more coding assignments to practice establishing a network.
- 2 Extra homework examples would be helpful.
- 3 go deeper on network
- 4 I doubt that Ali have enough ability to organize a useful course
- 5 There could be a live session with the instructor from time to time. The instructor depends too heavily on the slides and does not elaborate on concept sufficiently. Some times his read the slides which make lecture extremely not engaging. Also the homework and and exam are too calculation based and does not test conceptual understanding.
- 6 more lecture

#### Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.

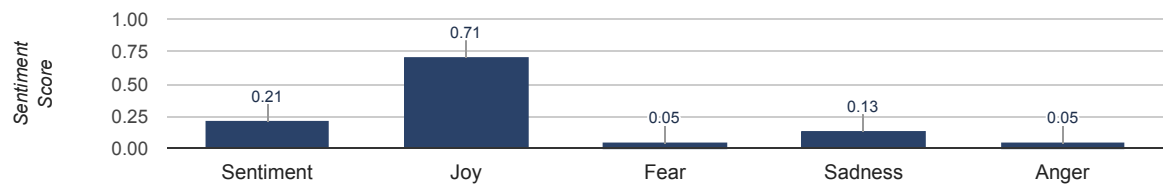

- 1 Always took care to provide extra explanations and practice on the more complicated concepts.
- 2 Before midterm and final exam, always provide sample test and solution to students for practice.
- 3 I really like this course
- 4 N/A
- 5 There could be a weekly recitation where lecturer quickly run through a summary on the weeks' content and provide some challenging examples and engage in Q&A with students.
- 6 it was 1 hour per week and it feels like learning by yourself with barely any use of the instructor
