- 5 The TA is very responsible and ensures students have the necessary support even when the instructor is not involved.

Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.

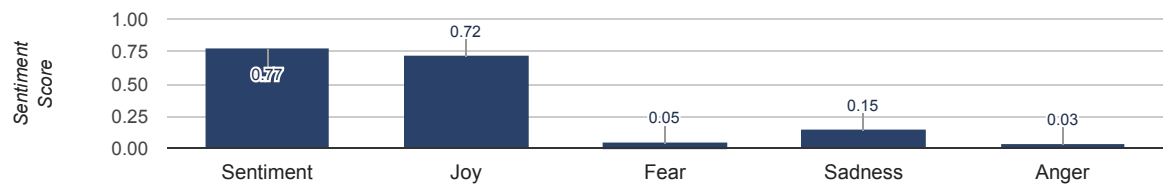

- 1 Teaching Assistant Anshul Mathew is very attentive to the course. He tries his best to explain the object-oriented concepts he knows in class and is willing to discuss ideas with students. If I have any questions about my homework after school, he will reply to messages very quickly. He is a dedicated teaching assistant.
- 2 TA Anshul Mathew is very good at explaining complex things through drawings and analogies. He has open mind and a gift of creating a welcoming atmosphere. I don't know what else he could improve.
