**Q: What were the strengths of this course and/or this instructor?**

- 1 Gave me the outline how I can teach myself
- 2 Reply to messages promptly
- 3 Knowledgable, teaches well, and really compassionate.
- 4 The information is clear.
- 5 well read
- 6 The instructor didn't teach, so non applicable
- 7 Regular publication of lecture notes and videos facilitated asynchronous learning. Assignments provided practical application of concepts. Weekly collaborative activities promoted engagement and teamwork.
- 8 can review the course video easily
- 9 provide good presentations

**Q: What could the instructor do to make this course better?**

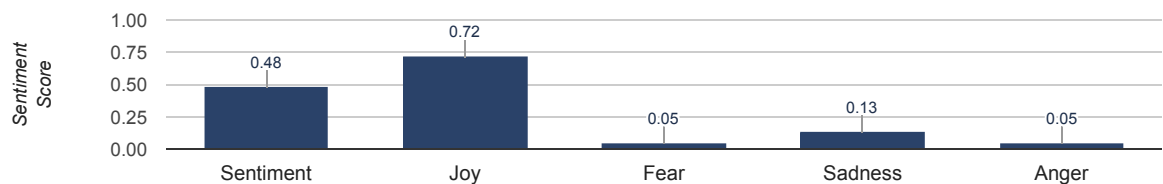

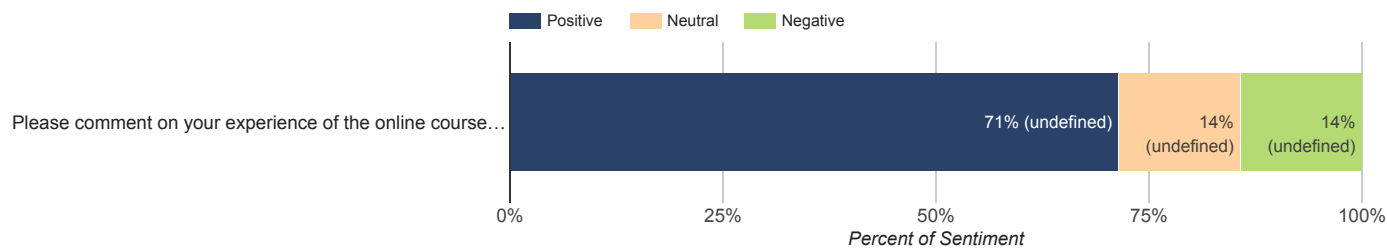

- 1 not reading the ppt. To understand what students need
- 2 Nothing
- 3 Maybe delve into more complex subtopics
- 4 Provide clear and useful information.
- 5 more focus on deep learning
- 6 Teach and engage with the class.  
  
I would recommend to whoever actually was teaching the course, that all learning stopped when the course switched to final projects. It's a good model for online courses to release content every week and have assignments on that content due that week. The last 4 weeks I didn't watch a single video, didn't learn a single thing, because there was absolutely no reason to and no course benefit.
- 7 The instructor could incorporate more interactive elements like live Q&A sessions or discussion forums to enhance student engagement. Providing additional resources or optional supplementary materials could further support learning.
- 8 NA
- 9 provide more specific online materials
- 10 Actually teach instead of using some other professor's course material

**Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.**

- 1 n/a
- 2 Nothing
- 3 Effective learning, great discussion topics, great course structure.
- 4 Provide more feedback for the assignments.
- 5 Strengths include providing diverse learning materials accessible to all students regardless of their learning pace or schedule. To improve inclusivity, the instructor could encourage participation from all students, ensuring everyone's perspectives are valued and creating a supportive environment for diverse learning styles and backgrounds.
- 6 NA
- 7 no

## Questions to Assess Students' Online Experience (7 comments)

Q: Please comment on your experience of the online course environment in the open-ended text box.

- 1 Good ★★★★★
- 2 Excellent ★★★★★
- 3 I like this online course. ★★★★★
- 4 Online interactions with my instructor? Nonexistent. Questions were directed to piazza, where they were subsequently not answered. After 48 hours of no response to one of my questions there, I had to email several times to get a question answered. I'm impressed by how little effort the instructor puts into monitoring her own communications. ★☆☆☆☆
- 5 I didn't have much interaction with my instructor, but whenever I reached out to her or the TAs, they provided the support I needed. The course was well-structured and organized, making it easy to understand. ★★★★★
- 6 good ★★★★★
- 7 online materials are clear and organized ★★★★★
