Instructor Related Questions: Molly Domino (11 comments)

Q: What were the strengths of this course and/or this instructor?

- 1
- Being able to meet with Molly either 1 on 1 or 2 on 1 during this time. Since the TAs were teaching, Molly was free.
- 2
- I can utilize the additional resources provided to enhance my understanding of the course material.
- 3
- I loved the TAs. They were extremely willing to meet with me outside class to help me work through the labs. Josh, in particular, went way out of his way for my benefit. I can't thank him enough for doing that.
- 4
- Lots of course material, great labs to support learning Object Oriented Design. Prof. Domino clearly passionate and engaged in the topic.

Q: What could the instructor do to make this course better?

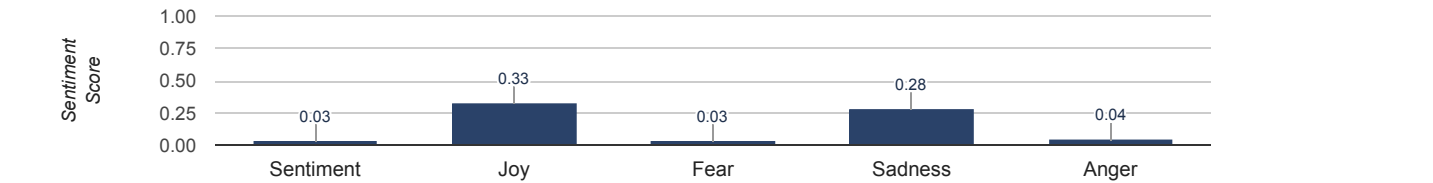

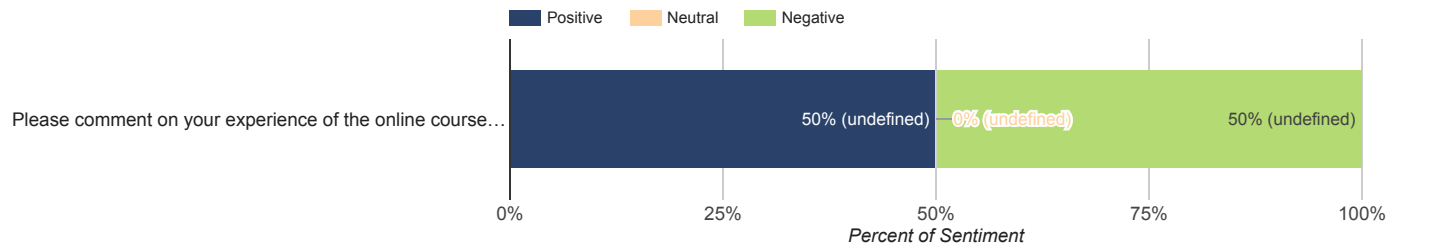

- 1
- The TAs should use what is directly on canvas
- 2
- The strengths of this course include lots of contents and interactive lessons, while the instructor excelled in clear communication, fostering an engaging learning environment.
- 3
- Make lab 5.1 much smaller and easier, and don't set the due date immediately after break--or warn students about its size.
- 4
- Some pacing things and changing due dates of assignments (some fell at awkward intervals).

Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.

- 1
- Using the classroom microphones during a class that's focused on class interaction makes it very difficult to hear what the TAs are saying.
- 2
- The instructor explains things well but could improve by using more examples and slowing down a bit.
- 3
- Prof. Domino worked to include all students, even ones who did not speak up as much in class.

Questions to Assess Students' Online Experience (2 comments)

Q: Please comment on your experience of the online course environment in the open-ended text box.

- 1
- This class was taught by TAs and not by the professor. The zooms were usually started late and the material provided by the TAs confusing when compared to what was on canvas. ★☆☆☆☆
- 2
- Materials were 90% of the time setup in a helpful way, and occasionally when jumbled Prof. Domino or the TAs provided help clarifying. ★★★★★

Student Self-Assessment of their Effort to Achieve Course Outcomes (3 comments)

Q: What I could have done to make this course better for myself.

- 1 Not much
- 2 The online course environment is easy to use and helps me learn effectively.
- 3 Adequate preparation ahead of time.
