Instructor Related Questions: Everaldo Aguiar (13 comments)

Q: What were the strengths of this course and/or this instructor?

- 1 Everaldo is the best! Seriously, one of the best professors at NEU Seattle.
- 2 Best professor I have ever met throughout the whole program. I learned a lot from the professor.
- 3 Instructor is very knowledgeable in his field of Data Science and his real-world experience helps me decide that this is not the career I want to dive in.
- 4 Constructive feedback, well-prepared materials, flexibility, unique humor, high efficiency in replying the message, excellent time management.
- 5 The instructor made the class very fun!

Q: What could the instructor do to make this course better?

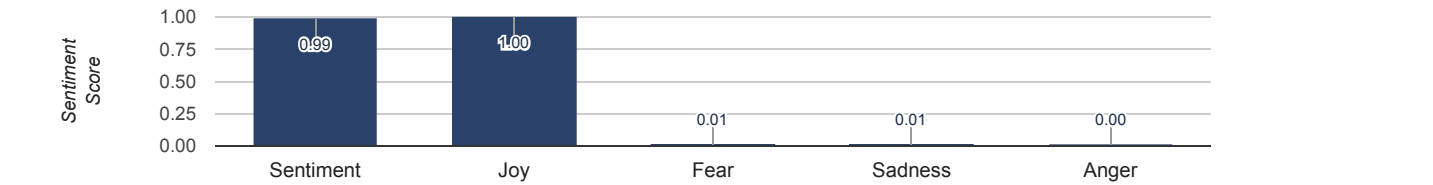

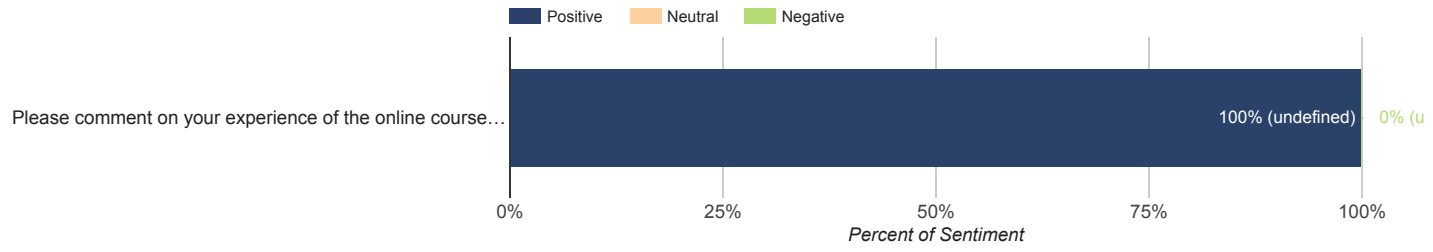

- 1 He should teach more courses :)
- 2 Add more course stuff about building ML application and ML infra.
- 3 More interactive activities in class after lecture since there is plenty of time for class activities after lecture.
- 4 Teach a bit more challenging topics

Q: Please expand on the instructor’s strengths and/or areas for improvement in facilitating inclusive learning.

- 1 Super approachable and easy to communicate with. He explains things clearly and creates a great atmosphere for learning. I didn't just take the class, I truly enjoyed it. Thank you!
- 2 prepare detailed guide for configuration, clear and meaningful
- 3 He is very considerate and helpful all the time, and he even gave me some insights about if or not to pursue a phd degree.
- 4 This is my second Data Mining course at NEU, and I glad I took it. Everaldo is super experienced, sophisticated, and professional. This course has helped me learn Data Mining in depth.

Questions to Assess Students’ Online Experience (1 comments)

Q: Please comment on your experience of the online course environment in the open-ended text box.

- 1 Very smooth and amazing ★★★★★

Student Self-Assessment of their Effort to Achieve Course Outcomes (1 comments)

Q: What I could have done to make this course better for myself.

1 do more personal coding to learn in the first half of the semester since mostly is theory.
