Student Self-Assessment of their Effort to Achieve Course Outcomes (4 comments)

Q: What I could have done to make this course better for myself.

|---|---|
| 1 | n/a |
| 2 | I wish would have done more practise problems |
| 3 | I did not find the lab work that challenging the one session I attended was too big to ask questions and work with other students. I think the could be more mandatory and be broken into smaller groups to encourage asking questions and enforce the topics in class. |
