

## Instructor Related Questions: Molly Domino (16 comments)

**Q: What were the strengths of this course and/or this instructor?**

- 1 This course really helped solidify many concepts w/ Object Oriented Design, and design paradigms in general. Prof. Domino was very enthusiastic about the material and cared about student outcomes.
- 2 flexible
- 3 The strengths of this course include extensive content and interactive lessons, while the instructor excelled in clear communication, fostering an engaging learning environment.
- 4 Molly was fantastic at making sure she was available for studies should the need anything. She always comes to class excited to teach.
- 5 help to clarify some confusion when taking online courses.

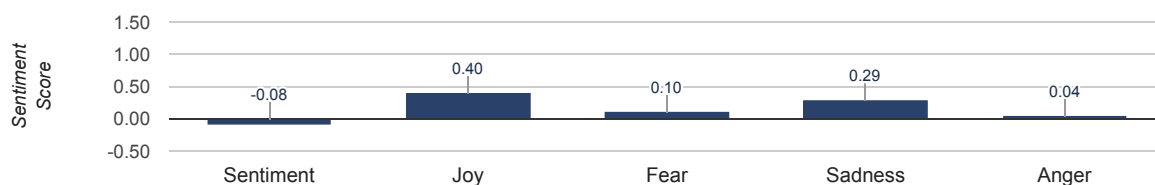

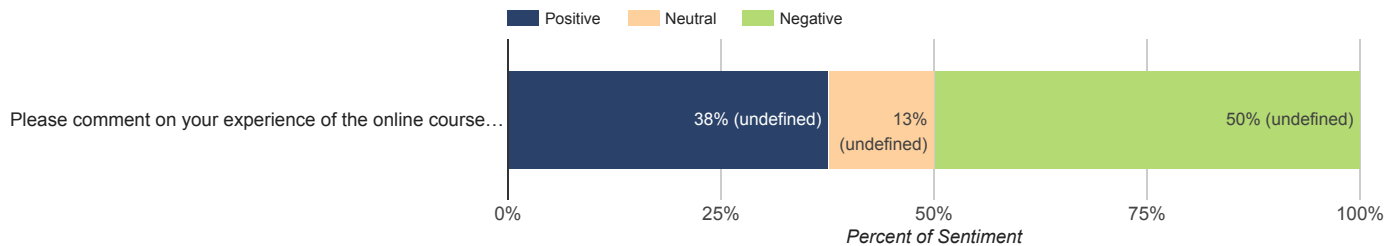

**Q: What could the instructor do to make this course better?**

- 1 Minor adjustments to pacing and formatting of lectures could make some of the concepts easier, but this was already improved by the second half of the semester.
- 2 please organize canvas
- 3 Rehearse lectures beforehand. Explain what she is doing and why she is doing it. Don't code fast during lecture.
- 4 The instructor could enhance the course by incorporating more examples.
- 5 Organizing the assignment panel page at the beginning of the semester would be helpful.
- 6 iron out any further issues with canvas
- 7 I'm able to ask questions anytime in class.

**Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.**

- 1 Prof. Domino cared about including everyone in the class discussions, and actively worked to solicit feedback and participation from students who were less vocal.
- 2 update canvas. get rid of outdated info. update syllabus, update projects.
- 3 The instructor explains things well but could improve by using more examples and slowing down a bit.
- 4 For OOD, we may need more information in a macro approach rather than details in practice.

## Questions to Assess Students' Online Experience (8 comments)

**Q: Please comment on your experience of the online course environment in the open-ended text box.**

**Q: Please comment on your experience of the online course environment in the open-ended text box.**

- 1

The online lecture materials were good and helped me solve a lot of problems in assignments I couldn't initially answer. Prof. Domino provided clarification and additional comments on many of the online materials. ★★★★★
- 2

canvas is outdated with a lot of irrelevant information. ★☆☆☆☆
- 3

I did not like the "This week in 5004" page. It frequently disagreed with the assignment due dates and did not always include every assignment. I was often confused about what was due on which dates. I also did not like announcements with no title. I did not want to rely on title-less announcements for critical course info. ★☆☆☆☆
- 4

Totally, it is really useful. ★★★★★
- 5

The online course environment is easy to use and helps me learn effectively. ★★★★★
- 6

I feel it's okay ★★★★★
- 7

Canvas was a bit unorganized at the start, but she got it cleaned up ★☆☆☆☆
- 8

For OOD, online course may need more structure introduction. When showing code, it may need show which class we are in, since sometimes I will get lost. ★☆☆☆☆

**Student Self-Assessment of their Effort to Achieve Course Outcomes** (7 comments)

**Q: What I could have done to make this course better for myself.**

- 1

Viewed all the online materials a week ahead to be prepared for lecture; this is difficult w/ full time work, though.
- 2

Get a better understanding of algorithms before coming in.
- 3

Studied more before class so that I could follow the lecture.
- 4

watch vedios and books ahead may be better.
- 5

I can utilize the additional resources provided to enhance my understanding of the course material.
- 6

Spent more time outside of course hours review the course material
- 7

do some reading for reference materials.
