Q: What were the strengths of this course and/or this instructor?

- 1 His lectures are very clear and organized
- 2 nice professor,gentle and patient.
- 3 The instructor has the passion to teach and is willing to encourage students to learn. He wants students to participate in class discussions. He respects student's opinions and advocates democracy through anonymous voting.
- 4 The instructor is enthusiastic.
- 5 I really like how the instructor deliver this course. First in class materials are clear, and lectures are very helpful. Additionally, the additional review materials are very good resources for studying for the certification exam and review.
- 6 The content of lab is really helpful and comprehensive.
- 7 The instructor is great and really cares about the student's opinion.

Q: What could the instructor do to make this course better?

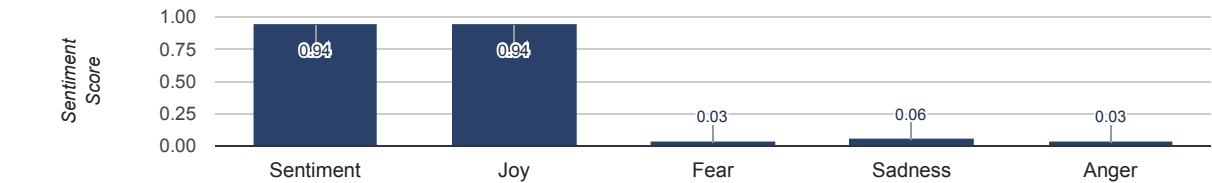

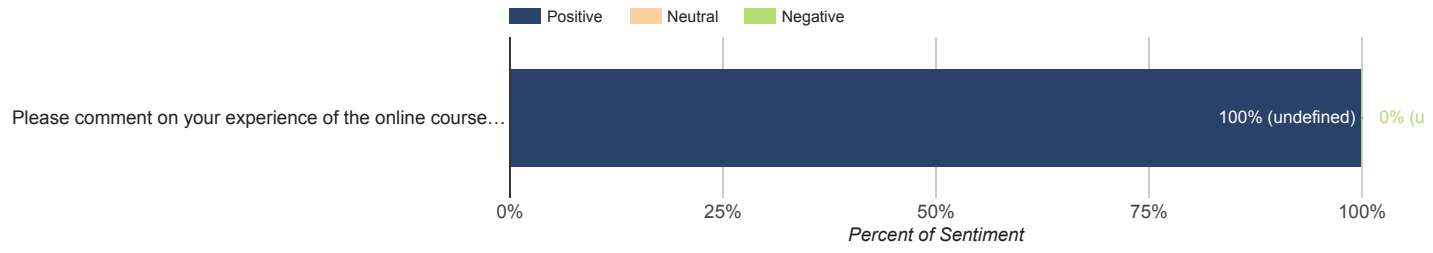

- 1 Incorporate practical project into course evaluation instead of learning only theoretically.
- 2 It's already very good
- 3 More practices for students. May have the words that I dont know in the exam.
- 4 The exams are hard comparing to the homework. I think rather than having 2 exams, it's better to have a smaller quiz every 3-4 modules.

Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.

- 1 Clearly deliver the lecture.
Listens to students.
Materials are well prepared
- 2 The teacher is nice and always helpfull
