Q: What were the strengths of this course and/or this instructor?

- 1 The course as well as the assignments are very interesting and helpful. The professor is very patient and knowledgeable.
- 2 informative, challenging, rich in content
- 3 His way of teaching
- 4 The labs we do are highly related to the contents in class. It's a good way for us to have a better understanding of what we have learned.
- 5 He is knowledgeable and willing to teach. He is very nice and he can explain problems clearly.
- 6 Good at communication and instructing.
- 7 responsible. the instructor is well structured
- 8 Every lab material provided by Nadim is very interesting. I really enjoy solving the lab problems, and if I have any questions, I can ask him anytime. He also gives very detailed answers.

Q: What could the instructor do to make this course better?

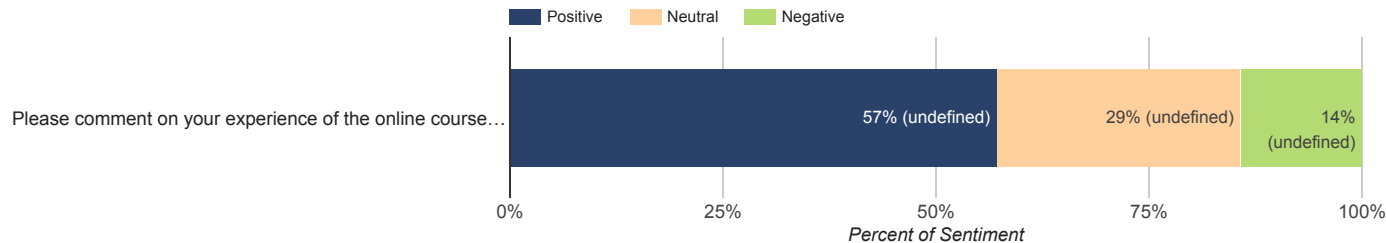

- 1 Nothing
- 2 Speak more slowly, and make the assignments more easy.
Personally, I think there are a lot of students who are not beginners, and they already have a foundation for CS. But since this is an aligned class, I believe there should be more attention paid to the real beginners so maybe the complexity of assignments should be adjusted.
- 3 None
- 4 It could be better if instructor could assign more exercises and upload some materials we can learn outside the class.
- 5 Maybe he can post the lab questions one day earlier before the lab class.
- 6 NA
- 7 reduce 1v1 time instead of giving more lectures on common questions
- 8 I don't think there's anything that needs improvement, this class is very good.

Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.

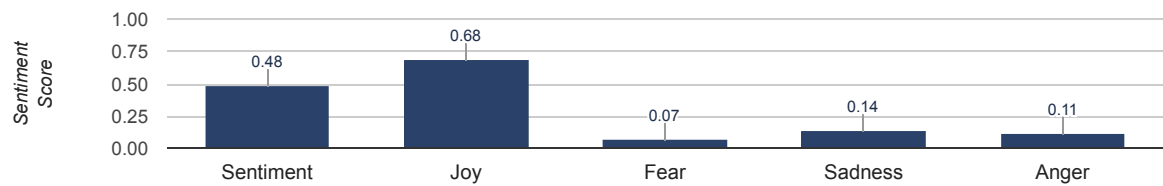

- 1 Nothing
- 2 responsible, diligent, proactive, punctual, well-prepared, knowledgeable
- 3 None
- 4 Instructor will rate our labs and give us some feedback which is very helpful.
- 5 He is very professional.
- 6 NA
- 7 na
- 8 This class is like an additional office hour, not only allowing for consolidation of knowledge but also providing an opportunity for students who are usually reluctant to ask questions in class or attend office hours to interact with the teacher. No matter how simple our questions are, Nadim always answers them with care.

Student Self-Assessment of their Effort to Achieve Course Outcomes (6 comments)

Q: What I could have done to make this course better for myself.

- 1 I should practice coding more.
- 2 should do more exercises and review more frequently
- 3 Personal preparation from side should be more
- 4 Accept help earlier on
- 5 Spending more time on the coding skills.
- 6 I also practice additional problems on LeetCode, finding questions that correspond to the knowledge points of each lesson to consolidate what I have learned.
