

Computer Systems (Fall 2023)

Instructor: **Mishra, Aditya**
Subject: **CS**
Catalog & Section: **5600 05**
Course ID: **20292**
Objectives:

Enrollment: **14**
Responses Incl Declines: **5**
Declines: **0**

Instructor Related Questions: Aditya Mishra (3 comments)

Q: What were the strengths of this course and/or this instructor?

- 1 He is great at explaining tough concepts and providing a fair exam on the material we have learned. He has great enthusiasm and empathy towards students.
- 2 The instructor showed good knowledge on the subject and enthusiasm for teaching.

Q: What could the instructor do to make this course better?

- 1 Lectures should make it so that it's sufficient to complete homework assignments. For example, if most of the homework assignments will be programming assignments using C, there needs to be some lectures that provides some information on C syntax.

Student Self-Assessment of their Effort to Achieve Course Outcomes (2 comments)

Q: What I could have done to make this course better for myself.

- 1 Read other online material and make sure to understand all practice questions and problems. Make sure to study the basics of C or C++. The programming assignments are not bad at all but understanding pointers would have helped speed up the process. Also, study up on binary type math.
- 2 strong c ability
