Q: What were the strengths of this course and/or this instructor?

- 1 clear logic
- 2 Clear instructions and explanations
- 3 N/A
- 4 Delivering lectures clearly.
- 5 10/10 for Richard.
- 6 He is well prepared, clear structured and well conveyed.
- 7 The instructor is really good at explaining difficult conceptions. The design of homeworks is very delicate.

Q: What could the instructor do to make this course better?

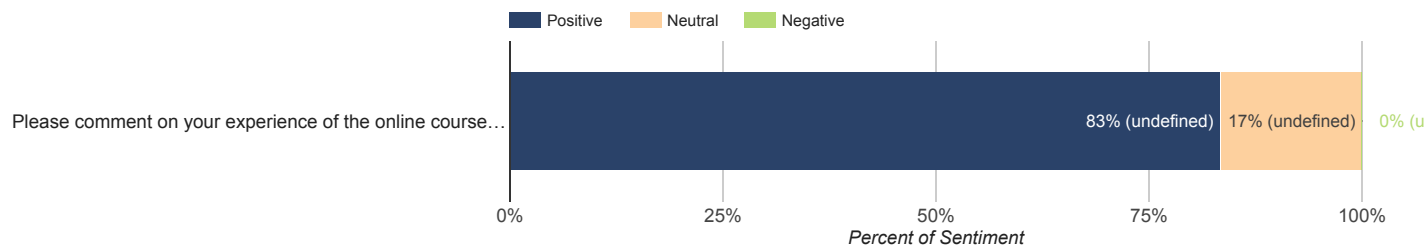

- 1 I hope more things were to be taught in more detail, but it is not the instructor's fault since the time is limited
- 2 Send out course slides in advance please! So that students can prepare and preview for better understanding in class
- 3 N/A
- 4 Optimizing class time by actively engaging students in project-based learning and maintaining momentum with lab sessions after the midterm.
- 5 N/A
- 6 The course primarily focuses on the basic aspects of Java. I've learned that other 5004 classes covered many design patterns and intermediate concepts, such as implementing concurrency and reflection in Java. Personally, I would appreciate it if the instructor could briefly introduce some of these intermediate topics. This would provide us with a wider perspective on what we might encounter in future studies.

Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.

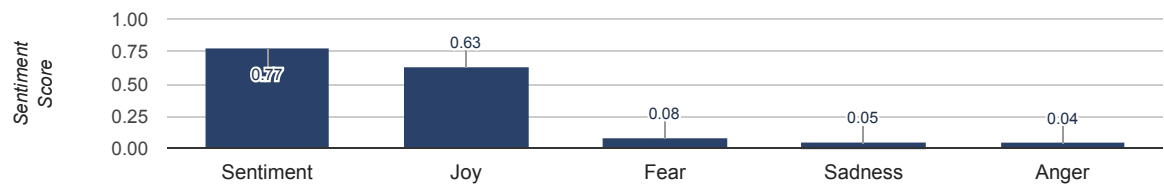

- 1 ...
- 2 Clear and logical knowledge system. All materials are organized.
- 3 N/A
- 4 The instructor excels in clear communication and creating a supportive environment, fostering inclusive learning.
- 5 I really love his teaching style.
