Instructor Related Questions: Neda Changizi (9 comments)

Q: What were the strengths of this course and/or this instructor?

1   The course content is very detailed, and the teacher teaches well. This is a course where we can learn a lot of mobile-related knowledge. really nice!

2   She will answer your questions very patiently, even if your questions are very easy. But please don't copy her code, she will get angry.

3   Neda is very professional and I like the course experience with her each week. I learned a lot.

4   Step by step instruction in class.

### Q: What could the instructor do to make this course better?

1   no

2   I think it's pretty good.

3   Nothing. It's very good.

Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.

1   really like this course!

2   I think it's pretty good.

1   all good ★★★★★

2   It was great to attend the course in person. Because in class, in addition to the teacher's explanation, the teaching assistant will also help you modify the code. ★★★★★

3   All resources are useful and help me save a lot of time. ★★★★★

Student Self-Assessment of their Effort to Achieve Course Outcomes (2 comments)

Q: What I could have done to make this course better for myself.

1   having a certain understanding of React and JavaScript

2   You need to arrange your time reasonably. The workload of the final project will be very large, and you need enough energy and time to complete it. If you want it to be a work that can be published instead of a hastily dealt with garbage.
