Q: What were the strengths of this course and/or this instructor?

1	The instructor has profound experience in this field.
2	Enthusiastic and interesting
3	Instructor well prepared.

Q: What could the instructor do to make this course better?

1	The quizzes are much easier than the final exam, so it is difficult to prepare for the final exam.
2	He may need to more pay attention to the answer of a homework or a week. There are like some mistakes, and even we feedback at the first time, he still provided the wrong one.

Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.

1	Students need to double-check their submissions, and similarly, do teachers also need to review their answers multiple times before posting.

Overall, that's the only problem but the teaching quality is great. |
