Q: What were the strengths of this course and/or this instructor?

1	The knowledge is practical
2	The canvas materials and assignments make sense (which is designed by the department)
3	Can give some example code during the lectures.
4	.
5	She is very patient with great sense of humor
6	The homework and projects are helpful for me to have a better understanding of knowledge.
7	lots of example on the class

### Q: What could the instructor do to make this course better?

1	Maybe slow down the pace at the beginning for starters to adjust the contents
2	1.Prepare for the class, the materials and examples. 2. If not prepare for the class, just let the students go instead of asking students stay in the room learn by themselves or asking students to prepare a presentation. 3.Students come to learn Java, teach step by step and explain in a easy way.
3	Give more examples to explain some concepts during lectures. Some TAs are not qualified and cannot answer homework questions.
4	.
5	This instructor cancelled class for several times but never upload a record lecture later. I met with many problems in HW that hadn't been covered in class. Also it could be better if she could make it more clearly about the requirements of assignments.
6	more pictures on the ppt, less character

Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.
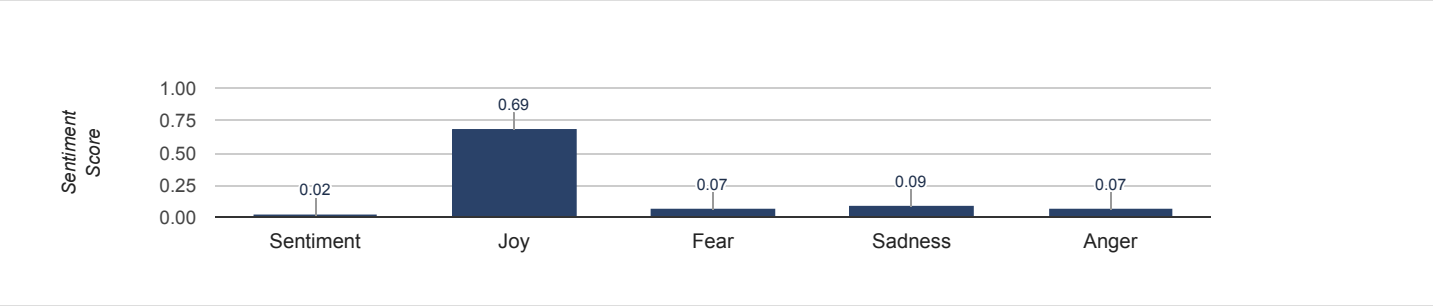

1	N/A
2	1 Have a right attitude in teaching. 2 Prepare enough for the couse. 3. Don't change the syllabus and the class randomly. This course is really important please let professional teachers to teach the course.
3	.
4	She is willing to interact with students in class.
5	change the ppt more interesting
