Instructor Related Questions: Sarita Singh (15 comments)

Q: What were the strengths of this course and/or this instructor?

1 Less tension and course arrangement is good.

2 Prof is always available for asking questions even on weekends.

3 The zybook is useful

4 her voice makes me sleepy

5 The instructor knew the material extremely well and was always willing to help the students.

6 Plans are clear and homework is not too hard to finish. Professor is great!

### Q: What could the instructor do to make this course better?

1 Have more interactive activity to help students understand concept with some tools.

2 I like that prof is open to share related real life topic in some courses, for example, she shared the some basic machine learning cases when teaching probability, i find these knowledge shares are helpful and could be more for each course.

3 i think it is good

4 Provide recorded sessions.

5 If professor could video the course and upload it so that we could review the knowledge before homework and quiz, I would appreciate it.

Q: Please expand on the instructor's strengths and/or areas for improvement in facilitating inclusive learning.

1 Too much homework and deadline does not give us too much time.

2 give examples and work together

3 Professor Singh always took the time to listen to her students.

4 Professor has done a great job. This course is not too hard to learn and the load of homework is not too bad, which helps us to learn the basic concepts and knowledge in discrete mathematics.
